TREATING PAIN, INJURIES & FUNCTIONAL IMPAIRMENTS

Coming to IRM In 2025

Dr. Brian Shiple, D.O.

Dr. Brian Shiple is a nationally recognized expert in Interventional and Integrative Regenerative Orthopedic Spine and Sports Medicine specializing in regenerative spine and sports medicine and diagnostic ultrasound. Inventor of the SpineRenu procedure and a licensed Discseel provider, Dr Shiple brings his expertise to SW FL to treat painful herniated discs and degenerated annular tears with minimal down time and without surgery. He is the author of Regenerative Healing for Life, a guide to treating injuries and pain without surgery. Named one of Philadelphia Magazine's "Top Docs," Dr. Shiple is deeply involved in clinical research and is active in national sports medicine and orthopedic organizations. Over the past 15 years, he has presented at more than 100 conferences and trained over 1,000 doctors from 18 countries in Regenerative Injection Treatment.

In 2025, Dr. Shiple will be joining Integrative Rehab Medicine in Estero, Southwest Florida.
